MEMORANDUM FOR: Project Director
THROUGH : Project Security Officer
SUBJECT : Mr. Herter's Visit to Strategic Air Command

1. On Friday of this week Mr. Herter is visiting SAC. He will be accompanied by his assistant, Mr. Harry Stimpson, who is TALENT cleared but not AQUATONE cleared.

2. In view of my own experience in being briefed at SAC last December, when Colonel White was briefed, I would anticipate that inevitably some operational information about AQUATONE will be disclosed to Mr. Herter. I would think it infeasible to try to arrange to have Mr. Stimpson excluded from any conversations which may touch upon AQUATONE.

3. Accordingly, I recommend that Mr. Stimpson be given AQUATONE clearance prior to his departure.
